

or of the title of his business shall not be permitted. Agents will not designate themselves as attorneys at any time except in a power of attorney (December 1, 1936) (Public, No. 844, 74th Congress).

5650. When an agent, attorney, or other person incurs any expense in the prosecution of a claim, he must file a sworn itemized account of such expense with the Veterans' Administration to be retained in the claims file as part of the permanent record and secure the approval thereof before demanding or receiving reimbursement from the claimant by the director of the service handling the claim, or his designate, if the claim is adjudicated in central office, or by the adjudication officer, or his designate, if the claim is adjudicated in the field, provided that in all claims other than those involving compensation and pension the approval shall be made in central office as above indicated. Notice of the action taken in all cases shall be transmitted to the attorney concerned by the service handling the claim (December 1, 1936) (Public, No. 844, 74th Congress).

5651. Attorneys or agents shall not, directly or indirectly, solicit, contract for, charge, or receive, or attempt to solicit, contract for, charge, or receive, any fee or compensation whatsoever for advice or consultation concerning the laws administered by the Veterans' Administration and the regulations, and/or rules based thereon or for service to claimants thereunder, except such fee or compensation as is herein provided, whether a claim has been or is thereafter filed, or no claim is filed for the person in whose behalf such advice or consultation is given or held or service rendered. Any agent or attorney who shall so do shall thereby subject himself to suspension or disbarment to practice before the Veterans' Administration and to the applicable penal provisions of the law (December 1, 1936) (Public, No. 844, 74th Congress).

FEES

5655. Except where prohibited by law and except in those cases where the person has been recognized in a particular claim, or has been recognized in an insurance claim without having been regularly admitted to practice as an agent or attorney by the Administrator of Veterans' Affairs, and except in accrued claim and burial claims, a fee of \$10 in an original claim for monetary benefits under the statutes administered by the Veterans' Administration and a fee of \$2 in a claim for increase for such benefits, will be payable to the agent or attorney of record in an allowed claim. In the excepted cases referred to above no fee whatsoever may be paid to or charged by an agent or attorney (December 1, 1936) (Public, No. 844, 74th Congress).

5656. When a claim involving monetary benefits has been allowed and for any reason the monetary benefits so allowed are reduced or held terminated, or the claimant has been cited to show cause why they should not be reduced or terminated, proceedings looking to the continuation of such monetary benefits originally allowed will be considered a claim for monetary benefits and a fee of \$10 will be payable in the event the monetary benefits originally allowed are continued, such fee to be deducted from the amount of monetary benefits subsequently payable (December 1, 1936) (Public, No. 844, 74th Congress).

5657. The fee provided in paragraph 5655 shall be due and payable only upon the approval of the claim by the Veterans' Administration and then only in the event the attorney or agent has rendered material service in the prosecution of the claim (December 1, 1936) (Public, No. 844, 74th Congress).

5658. At the time of allowance of the claim an award of the attorney's fee, if same is found due, will be made and paid by deduction from the monetary benefit allowed, but only to the attorney or agent of record at the time of allowance. The attorney to be entitled must have been admitted to practice before the Veterans' Administration and in good standing at the time of such award (December 1, 1936) (Public, No. 844, 74th Congress).

5659. Consideration as to the entitlement of an attorney or agent to a fee in any claim wherein a fee has been denied will not be entertained unless an appeal from the action taken by the Administration denying the fee is filed in the

Veterans' Administration within one year from the date of such action (December 1, 1936) (Public, No. 844, 74th Congress).

SECTION 1

Common Carrier Tariffs

Amendment to Rule 3, Page 3, of Tariff Circular MF No. 1

Amend paragraph (d) of rule 3 to read as follows:

(d) When a tariff names rates by classes, a classification of articles must be published in the tariff or in a separate tariff. When a classification is published in a separate tariff, reference must be made thereto on the title page of the rate tariff as follows:

Governed, except as otherwise provided herein, by the [here name] classification [show issuing agent] MF-I. C. C. No. — (or I. C. C. No. —) supplements to or successive issues thereof.

All carriers shown as originating carriers in a rate tariff which is governed by a separate classification must be named as participating carriers in such separate classification.

Add the following paragraph to rule 3:

(f) Carriers or their agents may not publish class or commodity rates which duplicate or conflict with rates published by or for account of such carriers.

SECTION 3

Miscellaneous Rules and Forms

[Rule 9 cancels rule 9, pages 5 and 6 of Tariff Circular MF No. 1]

Rule 9. Applications for Special Permission

(a) The Motor Carrier Act, 1935, authorizes the Commission in its discretion and for good cause shown to permit changes in rates on less than statutory notice, and also to permit departure from the Commission's regulations. The Commission will exercise this authority only in cases where actual emergency and real merit are shown. Desire to meet the rates of a competing carrier that has given statutory notice of change in rates will not of itself be regarded as good cause for permitting changes in rates or other provisions on less than statutory notice. Clerical or typographical errors in tariffs constitute good cause for the exercise of this authority, but every application based thereon must plainly specify the error together with a full statement of the attending circumstances and must be presented with reasonable promptness after issuance of the defective tariff, supplement, or revised page.

(b) When a formal order of the Commission requires publication on a stated number of days' notice, a request addressed to the Bureau of Motor Carriers for authority to file on less notice will not be granted. In any such instance a petition for modification of the order should be filed on the formal docket.

(c) Applications for permission to establish rates, rules, or other provisions on less than statutory notice, or for waiver of the provisions of this Tariff Circular, must be made by the carrier or agent that holds authority to file the proposed publication. If the application requests permission to make changes in joint tariffs, it must state that it is filed for and on behalf of all carriers parties to the proposed change.

(d) Two copies of applications (including amendments thereto and exhibits made a part thereof) shall be addressed to the Interstate Commerce Commission, Bureau of Motor Carriers, Washington, D. C. An additional exact copy shall be addressed to the office of the District Director, Bureau of Motor Carriers, Interstate Commerce Commission, of the district in which the main office of the applicant carrier or publishing agent is located. The application shall indicate that an exact copy including exhibits has been furnished the district office.

Applications shall be made on paper 8 by 10½ inches, shall be in substantially the form shown hereinbelow, and shall give all the information required by this rule together with any other pertinent facts. They shall be numbered consecutively and must bear the signature of the carrier or its agent or officer, specifying title.

(6) The application shall state the special circumstances or unusual conditions which are relied upon as justifying the requested permission together with any related facts or circumstances which may aid the Commission in determining whether the requested permission is justified. If permission to establish provisions on less than statutory notice is sought, the petitioner shall state why the proposed provisions could not have been established upon 30 days' notice.
